

The real debate of literary theory is henceforth "not with its polemical opponents but rather with its own methodological assumptions and possibilities." (p.) This is because "the resistance to theory is a resistance to the use of language about language." Content - Crisis mentioned - Author explanation. The essay "The Resistance to Theory" was originally entitled "Literary Theory: Aims and Methods." Although de Man did anticipate some form of such resistance to his essay, as the introductory paragraphs make clear, he used the term in the essay itself with a very different view in mind.
