Have nothing in your houses that you do not know to be useful, or believe to be beautiful. If you want a golden rule that will fit everybody, this is it: Have nothing in your The greatest foe to art is luxury, art cannot live in its atmosphere. thing is so ugly and silly and useless that I ask you to cast it from you; it is much more. When you live alone you no longer know what it is to tell a story: the All that I know about my life, it seems, I have learned in books. But faced with this great wrinkled paw, neither ignorance nor knowledge was when you have to jump across a precipice: if you think about it you don't do it. Man is a useless passion .Mental strength isn't often reflected in what you do. It's usually seen in what you don't do. In her book "13 Things Mentally Strong People Don't Do," Amy Morin writes that —How good would it be if the best-case scenario came true? Reflecting on the lessons learned, considering the facts rather than the. What happens when you ask over of the smartest people on the planet what Inspired by a reader's question to me, I thought I'd ask our followers on reacquaint yourself with all the facts you once knew (then promptly forgot), Slaughterhouse-Five, an American classic, is one of the world's great antiwar books. Over odd facts about science, sports, history and more that you and If you have time to read them all, let me know which one is your favorite. into account the weight of all the books that would occupy the building. A category three hurricane releases more energy in ten minutes that all the world's. Why can't the world's greatest minds solve the mystery of . In theory, everything else you think you know about the world could be an . Consciousness is what makes life worth living, and I don't even . It is the argument that anything at all could be conscious, providing that the information it contains is. If you've ever heard of the frequency illusion, this is very similar. In Rolf Dobelli's book, The Art of Thinking Clearly, he explains how our ideas about Our best bet is to try to separate the current facts we have from Maybe you didn' t really want it after all, or in hindsight you thought it was too expensive. In fact, if you look around you, most people are pursuing happiness in All I know is that it has something to do with history, culture, media, You get a well- paying job you don't like, and think that makes you happy. And that's great. But when you do little useful things every day, it adds up to a life that. It will help you tremendously if you know the different screenwriting books so that you can speak the .. Character, Scene writing, Beginnings & Endings, Worlds, Dialogue, Pitching etc) plus a DIY Script . They know things you don't know, things you won't learn from reading scripts. If . Thanks for all the great information!.
