

# Birds Of Oregon: A General Reference

Birds of Oregon is the first complete reference work on Oregon's birds to be published since Gabrielson and Jewett's landmark book in *Birds of Oregon: A General Reference*, by David B. Marshall, Matthew G. Hunter, and Alan L. Contreras. This comprehensive reference to the approximately five hundred bird species known to occur in the state combines current information on the population status, distribution, and behavior of each species. *Birds of Oregon: A General Reference*. Edited by D. B. Marshall, M. G. Hunter, and A. L. Contreras. Laura L. Todd. U.S. Fish and Wildlife Service. Avian Flight. J. J. Videler. Oxford. Ornithology Series, Oxford University Press, Oxford. xv + pp., numerous black-and-white line drawings and a few color photographs. Download Citation on ResearchGate On Mar 1, 2015, ROBERT I. FREY and others published *BIRDS OF OREGON: A General Reference*. The Paperback of the *Birds of Oregon: A General Reference* by David Marshall at Barnes & Noble. FREE Shipping on \$25 or more!. *Birds of Oregon: A General Reference*. This comprehensive reference to the approximately five hundred bird species known to occur in the state combines current information on the population status, distribution, and behavior of each species. *ORNITHOLOGY*. This comprehensive reference to the approximately five hundred bird species known to occur in the state combines current information on the population status, distribution, and behavior of each species. *Birds of Oregon: A General Reference* () by David Marshall and a great selection of similar New, Used and Collectible Books.
